Grant Writing Basics

Course Guide

Please review the table below to see all the components of the course

Course components	Description
Pre-test	The pre-test is designed to assess your knowledge of the subject matter prior to viewing the course activities. You have one attempt and must take the pre-test in order to receive a Certificate of Completion.
Essentials of Grant Writing	This is an online book resource that will provide some important background and conceptual information on grant writing.
Glossary	The glossary contains definitions and descriptions of terms and concepts covered in the online book resource.
Scenario: Help Shelly Write a Grant Proposal	This is a scenario where you will assist a program manager in writing her first grant to secure additional funding for her project.
Post-test	The post-test is designed to assess your knowledge of the subject matter once you have completed the course activities. You have up to two attempts to complete this assessment.
Course evaluation	All course evaluations are completely anonymous and help us to make any improvements, if necessary, to the course. You must submit the evaluation before receiving your Certificate of Completion.
Certificate of Completion	Once you have completed all the course components, you may access your Certificate of Completion. You should download it to keep a copy and you may always return to the course page to view it.
